.M Contemporary is a gallery space that aims to create a cross cultural conversation through showing and supporting emerging and established artists from around the world. We aim to foster a strong appreciation in Australian audiences for a new generation of foreign and domestic artists and to expose both novice and established collectors to these works.

By curating interactive exhibitions .M Contemporary aims to serve as a platform that introduces all mediums of art ranging from traditional to digital video art, interactive and immersive installations, showcasing the skill, creativity and concepts of artists within these mediums from around the world. .M Contemporary has a strong focus on supporting these artists ongoing presence through regular exhibitions, complemented by industry expert panel discussions, artist talks, social events and more.

Recognising the need for broader participation and exposure to art, .M Contemporary is also opening up itself to schools, universities and other parties as a platform for education where an appreciation for global and local contemporary art is inspired and nourished.
